

Bizarre Bazaar

Artist Mailing List

The Bizarre Bazaar is an exciting show to participate in. The **BIZARRE BAZAAR** is different from other shows, in that our aim is to provide a unique Art Show in Lawrence!

If your art work can be considered unusual, *bizarre* and a bit off the beaten path, then this could be the show for you. The cash outlay may be low, but participation is high and it requires a commitment of your time and enthusiasm.

This is NOT a juried show and space is available on a first come, first in basis.

The Biz Baz requires the effort of each and every participant.

All of the artists working together – that is what makes this an exceptional event.
