

# Bizarre Bazaar: Artist Expectations

Registration officially begins with the mailing of the forms mailed out in early June and will end when the spaces are filled. We always fill up in record time, so bear in mind that spaces are limited and available on a first come, first in basis.

Ponder the name and intent of the show when considering whether you would like to participate... This is a venue for artists who push the limits of their imagination and creativity. It is the show that people come to in hopes of finding something different and unusual. There are many venues for the arts in Lawrence and so it is important to keep the Bizarre Bazaar a show that excites the public, a place to find art that lies outside of the norm. If you decide to participate we ask that you push your limits and create original art that befits our name and celebrates our unique atmosphere.

Participation in the show requires not only the fee for your space but also your time, efforts and enthusiasm in making this show possible.

It is the work of all that makes the Bizarre Bazaar happen... we all volunteer our time and talents.

*It may sound like a contradiction in terms but your volunteer efforts are **required** for participation. With the submission of this form and acceptance into the show, you agree to participate in the following....*

- **Registration by mail, acceptance on a first come, first in basis. (no joint applications)**
- **Per Artist Registration fee included with your registration, even if you are sharing a space.**
- **Your time to work on a committee.**
- **A REQUIRED informational meeting (a potluck dinner)...generally in early November. This is where you get all of your information and details for the show.**
- **Participation in the ENTIRE event. No missing part of the show, no leaving early, etc.**
- **Provide pre-packaged, pre-priced Items for the Bake Sale.**
- **Provide a potluck item for the Artist Kitchen the day of the show.**

Our mailing list of artists is over 400 artists long and interest in participation in the Bizarre Bazaar has grown by leaps and bounds. So if you would like to participate... fill out mail in your form and registration fees right away.

We only allow one space per artist (or group of artists). These spaces are either 8' (fits an 8' table) or 4' spaces (fits a card table) and space behind or next to your table. You may set up your space in any way you would like but we must stay out of the walking aisles. Keep in mind that space is tight and we all work closely for this fun and crazy day.

Artists are contacted by email with confirmation by the end of July and posted to our website at [www.bizbazart.com](http://www.bizbazart.com). We do keep a waiting list based on the date we receive a registration. All payments received after we are full will be returned. (If space opens up we will contact those on the waiting list and request payment at that time).

**Kindest Regards from the BBC** (bizarre bazaar committee)
